[Rental caravans – New in our program from April 12th, 2019 on...](#)

We got convinced quickly! The caravan with the design of a rental accommodation combines the classical camping feeling with comfort!

Unlike a normal caravan the rental caravan of the company SeasonCamper is equipped with fixed water and waste water connection and a porcelain toilet instead of a chemical toilet. Besides, all beds have...

[Big demand for the Easter weekend...](#)

Since the Easter holidays are quite late this year and many would like to be out in the nature over the Easter weekend, our comfort pitches are already almost fully booked.

However, our tent meadow has not been in demand so far, so we also open it for caravans and motorhomes.

The remaining comfort pitches can only be booked for a minimum of 5 nights. On the tent meadow, however, reservations are accepted from...

[New online module launched...](#)

For our camping area we have integrated a [new reservation procedure](#) which will make it easier for the guest to book a comfort pitch or a spot on our tent meadow.

The new module is directly connected to our reception program, so that you know immediately whether we still have availabilities during your requested period. If we have something available you can also book directly...
